Institute of the International Association for Research and Testing in the Field of Textile Ecology

The company

Carriwell ApS

34 Virkelyst

7400 Herning, Denmark

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 26331**

for the following articles:

White, dyed and finished Ladies underwear in 'organic' cotton/polyamide/elastane and polyamide/elastane - Seamless nursing bra, seamless nursing camisole, seamless maternity bra, seamless panties, light support panties, post birth shapewear panties, maternity support band, seamless maternity support band, seamless maternity light support top. Based on pre-certified material according to Oeko-Tex Standard 100.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 27.03.2011

Manchester, 11.03.2010

Dr Tony Sagar
General Manager
