### Carriwell Proudly Accepts Premios Todo Papás 2014

The Premios Todo Papás award was the result 9,268 moms and dads in Spain who have voted, for their favourite 2014 products for pregnant women & nursing mothers. As every year, the criteria of innovation, quality and originality is guaranteed by the fact that it is only the users themselves that are permitted to vote, this make these products that receive this award truly the best in the sector of infant feeding.

Carriwell is very proud to receive yet another award for the Carriwell GelWire™ Nursing Bra, and the Premios Todo Papás 2014 from Spain stands long side the Baby Innovation Award 2014 from the Netherlands and the Baby Product Award 2014 from Belgium as well as the International Kind + Jugend Innovation Award 2013 from Germany.
